HOW TO SET UP IN TELEGRAM — STEP BY STEP

1. Open your Ziyo Forum Telegram channel in the **admin view**
2. Tap **New Post → Poll** for Q1–Q7. Copy each question and options exactly as shown below. Set multi-choice polls (🔲) to **"Multiple answers"** mode.
3. For **Q8** (open text): post as a regular message and ask users to reply in the comments, or link to a Google Form for the open-text field.
4. Post **the announcement message first**, then the 8 polls one by one. Pin the announcement to the channel.
5. Polls can stay open for **7 days**. After closing, export results from Telegram and share with the SAP team.
